Castle - French Carriage Patina

Using new Northern European Oak, solid or engineered, we are able to cut and hand shape each board creating an undulated surface lending the appearance of truly an antique floor with the added benefit of being compatible with under floor heating (engineered option).

Note: Castle refers to the shape of the board. All castle boards solid or engineered will have an undulated surface. French Carriage is the colour name.

Estimated board thickness

Estimated 20mm-24mm thick due to undulation

Lengths up to 2.5 m long, mainly long lengths supplied Knots, Shakes, Saw marks, Surface Undulation Present This is a character grade board, further grading and bespoke creations will be reflected in the price Different brown coloured surfaces are available at request.

Specialist fitting required, please ask for more details.
