

The Double Lowther Vanity Basin Suite With Green Verde Guatemala Marble in a Nickel Finish

The Double Lowther Vanity Basin Suite

Description

The Double Lowther vanity basin suite with his and her basins is a stunning option where space is available in the room. All marble vanity basins are hand cut with detailed moulding, including integrated soap dishes. The Lowther was originally recorded in 1175 as Lauder translating to foamy river in Old Norse.

Marble Variations

	Marquina Black Marble - with a black base & white veins
	White Arabescato Marble - with a white base & grey veins
	Verde Guatemala Marble - an Indian marble characterized by a dark green background with light white shades

Variations

	Unlacquered Brass - hand cast & polished but not lacquered; will age beautifully over time. The component parts slightly differ in colour.
	Nickel Plated - polished nickel is more hard-wearing than brass but requires periodic polishing to keep bright or left to age gracefully.
	Chrome Plated - this is the most hard-wearing finish which requires minimal maintenance, a brighter blue finish to the nickel plating.
	Antique Brass - we will hand patinate the brass if you require to a special aged look which will naturally tarnish with time.
	Antique Bronze - a dark finish to the metal that gives a stunning industrial look
	Antique Nickel - a beautiful yet timeless finish
