### THE STORY OF LAURA ASHLEY...

Laura Ashley began her inspiring journey when she started hand-printing fabrics from her kitchen table in 1953. The brand was built on crafts and creativity and traditional values of quality and originality.

The beautiful Laura Ashley Glazed Ceramic Floor & Wall Tiles Collection designed and made in Britain includes geometric designs and an elongated small format, capturing a timeless elegance for any space, inspired by the rich heritage of the Laura Ashley archive. Our Tiles beautifully complement the Laura Ashley Paints and Wallpaper ranges for a tactile contrast.
