The Traditional Perrin & Rowe
Bathroom Collection

Bath shower mixer with crosshead handles finished in chrome.
As featured in *The Bathroom*, by The Pottery Barn, copyright Weldon Owen.

Perrin & Rowe: The fusion of function and beauty; durability and desirability.

The strength of the Perrin & Rowe brand is built upon a clear understanding of the requirements in the luxury sector: product reliability, durability, quality and real value for money.

Renowned for its unrivalled quality and an exacting attention to detail, Perrin & Rowe's wide and varied product portfolio includes kitchen taps, bath and basin brassware, bathroom accessories and bathroom chinaware.

Perrin & Rowe's products are outstanding examples of design excellence combined with cutting edge precision engineering. Our products are not mass produced; instead we concentrate on perfecting each individual hand-built product in our UK manufacturing facilities.

Our reward - Perrin & Rowe products have consistently been specified and installed in the most stunning and luxurious hotels, resorts, spas and private residences around the World.

The Perrin & Rowe Promise

All products are:

- Manufactured in the UK from the highest quality raw materials available;
- inspired by innovation and driven by engineering excellence;
- manufactured employing the latest available technology and made from low lead brass;
- plated to a thickness that exceeds the industry standards. This additional plating will ensure a deep, protective coating that is resistant to wear and tear as well as pleasing to the eye;
- assembled by hand and individually water tested to ensure peace of mind;
- made to include bearing rings and engineering 'O' seals on handles and spouts to ensure maximum durability. This feature prolongs the service life of the product and gives Perrin & Rowe products a stable "wobble free feel";
- made with ceramic disc valves supplied by the world's leading ceramic cartridge manufacturer. Valves are repeatedly tested up to 500,000 life cycles, (turned on and off with pressurised water), this equates to at least 25 years of use in a domestic installation;
- specifically manufactured for each market. No additional adapters or converters are required for installation.

BATH AND BATH-SHOWER MIXERS

What makes a manufacturer different? Some would say it's attention to detail. Here at Perrin & Rowe, we'd certainly agree with that. Almost unique in the brassware sector, we control every key stage of production from concept to completion. That includes managing our own plating. Every item is initially plated in nickel and then chrome, if required. Pewter, shown above, is created by our team of skilled polishers gently sanding nickel fittings by hand until a perfectly soft, semi-matt appearance is achieved.

To bathe, shower and bathe or simply shower?

The choice is yours with a timeless Perrin & Rowe bath mixer or bath-shower mixer. Indulgent, but also practical, an elegant bath-shower mixer combines a generous, wide bath fill with a cradled handshower.

Bath-shower mixers can be positioned deck style on the bath's rim, wall mounted or for freestanding baths, can be fitted with extended unions and legs.

3505

Bath taps with 10" spout and crosshead handles finished in nickel.
As featured in Timeless Living, The Netherlands.

BATH SETS

See it, feel it

Turn on a Perrin & Rowe tap and you'll quite literally be able to feel and see the difference. That precise, quarter turn action comes courtesy of our hard-wearing, top quality ceramic disc valves. The bubbling flow? That's down to the aerator concealed within each tap's spout. Little details, big difference.

Simple pleasures

Drawing a long, hot bath is one of life's simple pleasures, but with Perrin & Rowe bath taps you can be sure you'll be soaking for longer than you're standing around waiting for your tub to fill. Generous spouts and three quarter inch wide inlets mean that your bath will be ready in no time, so all you have to do is lie back and relax.

Choose from our classic, high spout taps, stylish low level taps or traditional, pillar bath taps.

Suds away

If bathtime is a family occasion, why not make light work of washing hair, bathing kids and rinsing away the suds by choosing a Perrin & Rowe bath tap complete with co-ordinated handshower.

Handshowers are angled, sit neatly inside a shaped base when not in use and feature smooth, rounded porcelain handles.

Crosshead or Lever Handles available for all products shown.

Finishes available on entire range - chrome, nickel, pewter or gold.

BASIN & BIDET SETS

Our signature

To us, details matter; the materials, the care and the precision... That's what the Perrin & Rowe signature is about. These 'hot' and 'cold' indexes are the perfect example. Made from fine porcelain, smooth and perfectly domed, they're a small, but important part of the average thirty components that are assembled by hand to make each of our taps.

Instant lift

Beautiful taps can transform your bathroom. Well made, statement taps have the ability to give your bathroom chinaware an instant lift. Perrin & Rowe basin and bidet taps feature hard-wearing ceramic disc valves for a precise, quarter-turn feel when being turned on and off.

Match your taps to your basin or bidet. A tap with a low spout and gently tapered porcelain lever handles will complement a large square or rectangular basin; a curvy monobloc tap is perfect for a smaller cloakroom basin and a wall mounted tap is ideal for a modern, surface mounted bowl.

PERRIN & ROWE

SHOWER SETS

A Perrin & Rowe shower is not to be taken lightly

Literally. Weighing in at 3kg, each valve is engineered from solid brass. Shower valves start life as a piece of solid, cylindrical brass. Then, they are precision machined in a single process before being polished, plated and hand-assembled.

SHOWER SOLUTIONS

What's your idea of a great shower?

A gentle, relaxing rainfall or a rejuvenating, torrential rapidè of water? Perhaps it's both or perhaps it's those little extras – a rainbar, handshower or bodyjet, that make all the difference to you.

Perrin & Rowe showers aren't prescriptive. So whatever your showering vision, our wide range of easy clean showerheads, valves and accessories mean you can virtually design your own shower.

Just indulge your imagination.

5555
Concealed Thermostatic Shower Mixer

Maximum impact, maximum safety

Perrin & Rowe showers are thermostatically controlled by a highly accurate wax cartridge. A pre-set, maximum temperature of 38°C minimises the danger of a shower being too hot, or worse, scalding and in the unlikely event of your hot or cold water supplies failing, a shut off device will automatically activate.

Shower valves are available as concealed or exposed designs; choose an exposed valve for maximum impact, statement showering where space is no object. For smaller showering areas, opt for a concealed valve with an octagonal plate, where the valve's pipework is hidden in your bathroom wall.

Thermostatic Shower Mixers are also available with crosshead handles

Can't decide which shower?

Undecided about the components you'll need to create your perfect Perrin & Rowe shower?

Then let us do the hard work and choose from one of the following, seven complete shower sets – no matter your preferences, there's bound to be one that's just right for you and your bathroom.

The hardest choice you'll make is the finish.

SHOWER SET ONE

Comprises:

THE ACCESSORY COLLECTION

It's all in the detail

From elegant toothbrush holders and shaving mirrors to towel rails, bath racks and shower baskets we have every accessory covered. Each Perrin & Rowe Accessory is as perfectly crafted as our taps and showers; mugs, trays and dishes are made from the finest English porcelain, fixings are concealed and even our shower baskets have adjustable fixings to accommodate awkward corners.

6932
Freestanding Toothbrush Holder

6930
Wall Mounted Toothbrush Holder

6969
Tumbler Holder

6926
Double Tumbler Holder

6925
Single Tumbler Holder

Hung up

Whether you prefer to share or go solo, Perrin & Rowe robe hooks are the perfect hosts for a mass of fluffy towelling or silk gowns.

Don't forget your toothbrush... Wall fixed and freestanding holders keep toothbrushes tucked away and our single and twin tumblers will bring a touch of elegance to your vanity area.

6921
Single Robe Hook

6922
Double Robe Hook

6923
Triple Robe Hook

6911
610mm Grab Rail (also available in 305mm length - 6912)

510mm Towel Rack

6953
510mm Glass Shelf (also available in 260mm length - 6954)

6975
510mm Glass Shelf with Towel Rail

Racks, shelves and baskets

If you're only tempted by the minimum of bathroom accessories, make one of your choices a classic glass and chrome shelf or bottle basket. Practical, yet effortlessly stylish, Perrin & Rowe racks, shelves and baskets come in a variety of widths and lengths and will lend a little luxury to any bathroom or cloakroom.

6952
260mm Bottle Basket (also available in 510mm length - 6951)

6962
510mm Bottle Basket & Soap Tray

6955
510mm Sponge Basket (also available in 260mm length - 6956)

6935
150mm Towel Ring

Tidy towels

Every bathroom deserves a beautiful bale of towels. And what better to show off such indulgence than one, two – or perhaps three – Perrin & Rowe towel rails and rings? Slim with spherical detail, towel rails are available as single or double designs and in three different widths.

Elegant, elliptical Perrin & Rowe towel rings will take care of the fluffiest bath sheet.

6941
610mm Single Towel Rail (also available in 457mm length - 6940 and 762mm length - 6942)

6945
762mm Double Towel Rail (also available in 457mm length - 6943 and 610mm length - 6944)

6968

6928
Soap Tray

6916
Corner Basket

6910
Bath Rack

Smart space savers

Stow away pampering products in a Perrin Rowe bath rack or basket. Make the most of showering space by doubling up with a two tier design, keep gels and foams to hand with a basket that fits onto your shower's slider rail and stop soap from sliding around with a freestanding basket, complete with porcelain tray.

And when you're ready for your close up? Why, take a peek in our classic, double-sided shaving mirror with extendable arm and magnifying glass, of course.

For the smallest room

Even bathroom essentials need a little glamour and no one does that better than Perrin & Rowe. Lavatory brushes and holders are available as freestanding or wall mounted designs and feature English porcelain inserts. Cisterns get a little extra polish with our neatly tapered, porcelain handle and loo rolls get the luxury look too, thanks to our stylish holders.

Mirror, mirror...

Every bathroom needs a wonderful looking glass and you can't go wrong with these classic hexagonal, square and oval shapes that have been designed to complement the form of Perrin & Rowe showers. Mirrors are made from the finest Italian glass, feature softly bevelled edges and are held in place with stylised fixings that could only be by Perrin & Rowe.

Last thoughts and little extras

Is there a detail we've overlooked? Throw away unsightly plastic bottles and decant your hand wash into a Perrin & Rowe soap dispenser; keep the last drop safe with Perrin & Rowe bottle stoppers and last but not least, don't forget your light pull.

DISCOVER MORE

The Perrin & Rowe Contemporary Bathroom Collection

We hope our Bathroom Collection has inspired you.

In addition to our Traditional Bathroom Collection, we also offer a contemporary range of taps and showers, chinaware and accessories. Cool and understated, they are modern, yet with robust and generous design detail, that is unmistakably Perrin & Rowe. And, just like our Traditional brassware, all of our contemporary taps and showers are also made exclusively in our factories in the UK.

FROM PERRIN & ROWE

The Perrin & Rowe Filtration Collection

Using “Triflow® Technology”

All the style and quality you would expect from Perrin & Rowe® but with the added luxury of filtered drinking water.

Our newest range of kitchen filtration taps uses high quality Swiss made ceramic cartridges to dispense the finest quality drinking water through a dedicated waterway within the taps spout.

The system offers advanced four stage filtration while retaining the important elements in the water for your health such as fluoride and calcium.

The Perrin & Rowe Kitchen Collection

The Perrin & Rowe Kitchen Collection offers a multitude of design and styling options. Choose a sleek Orbiq, Oberon or Io from the contemporary range; opt for the timeless form of a Phoenician, Minoan or Ionian from the Traditional Collection or go for rustic style with a Picardie, Provence or Alsace from the Country Collection.

Enhance your tap with a stand-alone, patented rinse, then customise your tap to suit. An alternative spout; crosshead handles rather than levers? Wall mounted rather than surface mounted fixings? Handles to match your work surface? No problem – it’s your tap and most importantly, it’s your choice.

Manufactured exclusively in our own factories in the UK and assembled by hand, all of our kitchen taps feature ceramic disc valves and are individually tested.

Perrin & Rowe bathroom taps, showers and accessories have been chosen by discerning designers for some of the world's most luxurious resorts, hotels, retreats and hideaways. They include:-

The United Kingdom

ISO 9001 CERTIFIED ORGANISATION

For your reassurance, every piece of Perrin & Rowe brassware is engineered from approved materials to exacting standards and hand-assembled within an ISO 9001:2000 accredited, quality assured environment. Recognised all over the world for its stringent, detailed standards and attention to processes ISO 9001:2000 approval is a true mark of international quality.

Perrin & Rowe believes in upholding the international standards required wherever its products are sold. Our international approvals include WRAS, UPC, the WQA Gold Seal, PUB and the Australian Standard.

Should you have any concerns or queries about your Perrin & Rowe brassware, we will be only too pleased to help. We operate a dedicated aftersales and technical advisory service, so if you have a question, just ask us.

TCL Manufacturing Ltd operates a programme of continuous product design, development and improvement. As such, TCL Manufacturing Ltd reserves the right to change and update brassware, showers and accessories without notice. Whilst we have made every attempt throughout this brochure to use imagery that is faithful to product form and finish, variations resulting from photographic lighting, print and reproduction cannot be avoided.

Acknowledgments

TCL Manufacturing Ltd would like to thank Pam Carter at The Savoy, Corinne Cleret at Sofitel St. James and Angela Day at Chewton Glen for their help in arranging locational photography. Sofitel St. James, Chewton Glen, The Savoy and all product photography shot by Chris Reeve at Reeve Banks. Design and layout, Perrin & Rowe.
