

All dimensions are in mm and may vary + - 5mm as they are hand made, hand soldered and polished

Test pressure: **6 BAR**

Max working pressure: **3 BAR**

Max working temperature: **100 °C**

Connections: **1/2" FI**

Heat output determined in accordance with EN 442

Btu/hr @ Delta 60: **3351**

Height over flange: **500**

Width over flange: **1210**

Overall projection: **127**

Pipe centres: **1150**

Tube mm: **51 x 12**

Bard & Brazier rails are made in England from high quality brass and can be used on open or closed circuits
